

STST Research Update

K. Franinovic, M. Krohn, S.Schneller, N.Foelsterl, M.Kemper

ZHAW, 30. July 2015

Activities

1. Field Research

Tornado

Wolken-Ringe

Schulhaus am Wasser

2. Workshops

ZHAW

ZHdK

3. Materials

Huiii & Whua

StyroPlane

4. Insights

5. Next Steps

1. Field Research - Tornado

Visitor observes or visitor modifies

how can you modify?

1. Field Research - Tornado

Visitor observes or visitor modifies

participant *active*

participant *modifies*

participant *observes*

1. Field Research - Wolken-Ringe

Social interactions

Imitation

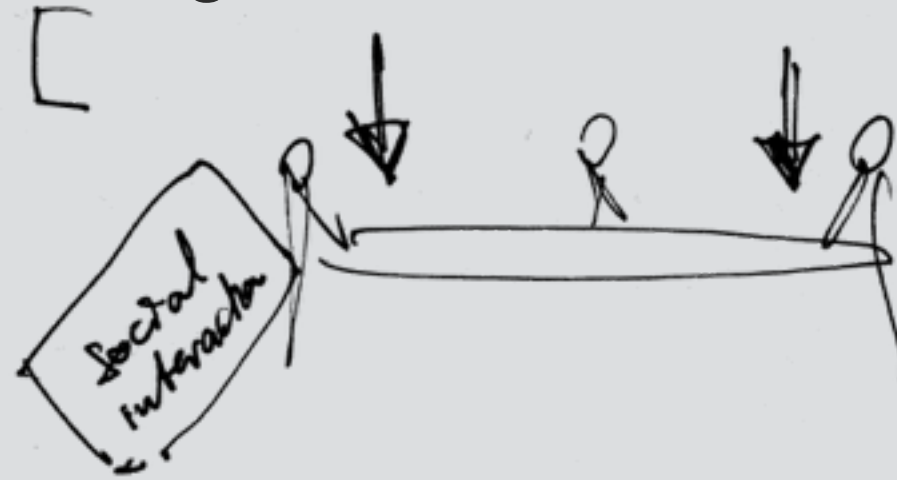

IMITATION-like children
- short interaction

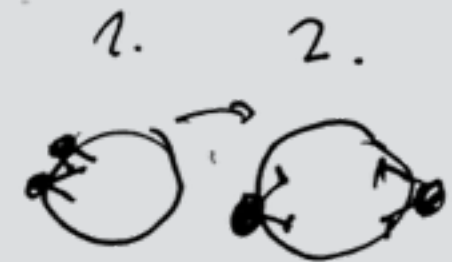

1. Field Research - Wolken-Ringe

Social interactions

Imitation

1, 2, 3 users

1. Field Research - Schulhaus am Wasser

Creativity and Performance

2. Workshops - ZHdK

Flying objects

Design Speed Dating

2. Workshops - ZHdK

Flying objects
Design Speed Dating

ARTIST // STAIRCASE

3. Materials - Huiii & Whua

BA Final Project

How can we use wind to create something?

3. Materials - StyroPlane

Tested in a workshop setting

How do we deliver a product?

How does the product communicate it's possibilities?

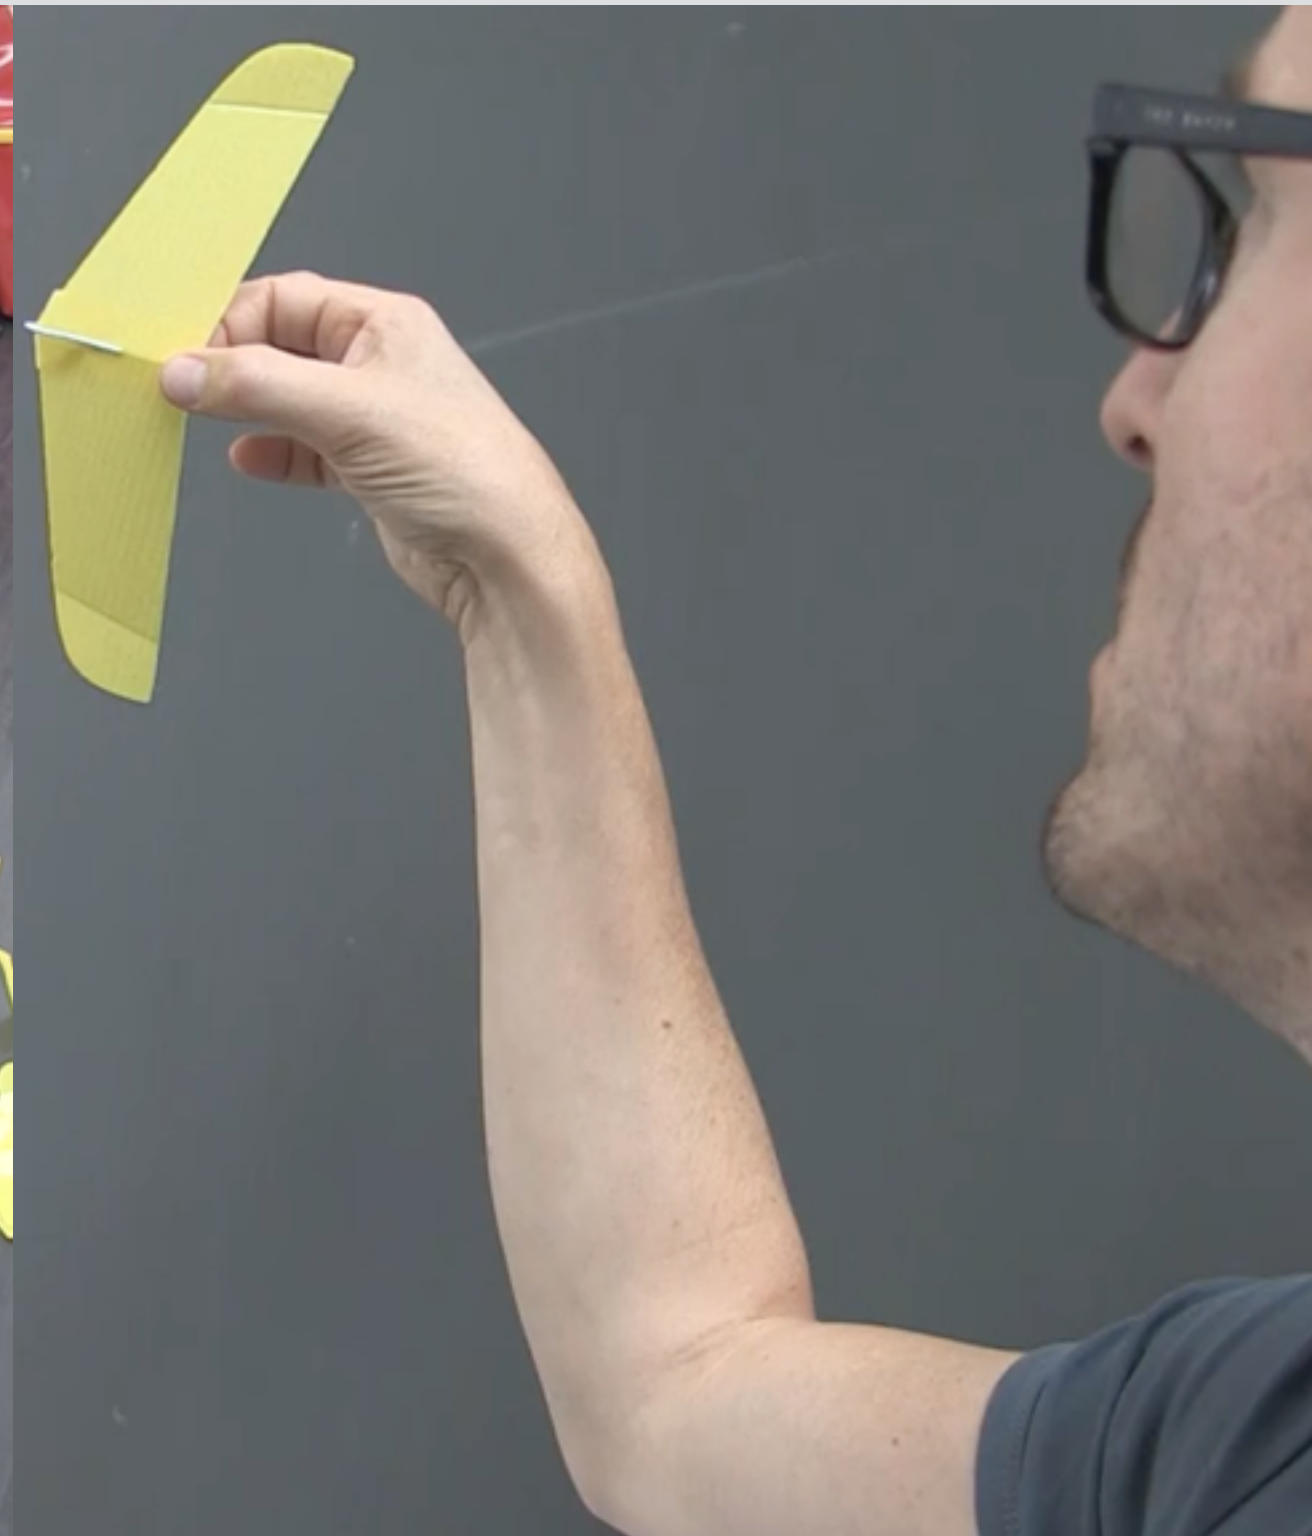

4. Insights

Creativity and Performance

Loose Parts vs. Finished Products

Rules and Results

5. Next Steps
